

## **Implementing Proposal 22-2: Ensuring the Equitable Distribution of Absentee Voter Ballot Drop Boxes**

### Summary:

Proposal 22-2, passed by voters in 2022, requires at least one Absentee Voter Ballot Drop Box (AV drop box) for every municipality and for municipalities with more than 15,000 registered voters, at least one AV drop box per 15,000 registered voters in the municipality. Using a database of every AV drop box in the state that we compiled for our MichiganDropBox.com project, the Voters Not Politicians Education Fund identified 630 jurisdictions that will need to install at least one AV drop box to comply with the requirement.

### Discussion:

Proposal 22-2, passed by voters in 2022, enshrined in the Michigan Constitution the right to equitable and comprehensive access to AV drop box for all Michigan voters. Proposal 22-2 added the following constitutional language:

*THE RIGHT TO AT LEAST ONE (1) STATE-FUNDED SECURE DROP-BOX FOR EVERY MUNICIPALITY, AND FOR MUNICIPALITIES WITH MORE THAN FIFTEEN THOUSAND (15,000) REGISTERED VOTERS AT LEAST ONE (1) DROP-BOX FOR EVERY FIFTEEN THOUSAND (15,000) REGISTERED VOTERS, FOR THE RETURN OF COMPLETED ABSENT VOTER BALLOT APPLICATIONS AND VOTED ABSENT VOTER BALLOTS. SECURE DROP-BOXES SHALL BE DISTRIBUTED EQUITABLY THROUGHOUT THE MUNICIPALITY AND SHALL BE ACCESSIBLE TWENTY-FOUR (24) HOURS PER DAY DURING THE FORTY (40) DAYS PRIOR TO ANY ELECTION AND UNTIL EIGHT (8) PM ON ELECTION DAY.*

In the 2022 election, Voters Not Politicians Education Fund operated MichiganDropBox.com, an online resource voters used to locate AV drop box in their community.<sup>1</sup> To develop the website, Voters Ed Fund had to independently verify and catalog the location of every AV drop box in the state. We used this location data, coupled with registered voter data from the Qualified Voter File that was aggregated on February 16th, 2023, to determine how many additional AV drop boxes need to be installed in the state, and where.

While analyzing the number of existing AV drop box, Voters Not Politicians Education Fund identified many communities that have at least two AV drop box listed at the same street address (for example, a municipality may have a AV drop box inside the Clerk's office and one outside the

<sup>1</sup> Voters Ed Fund first launched MichiganDropBox.com to assist voters in 2020, and relaunched it in 2022 in partnership with All Voting Is Local, Michigan League of Conservation Voters, and Detroit Action. Website was current as of October 24th, 2022 and does not take into account drop boxes installed after that date.

office building). For the purposes of this report, we treated multiple AV drop boxes located at the same street address as if they were a single AV drop box, because they are not “*DISTRIBUTED EQUITABLY THROUGHOUT THE MUNICIPALITY*” as is constitutionally required.

*A copy of the supporting data for this report is available upon request (.CSV or .XLSX format). Please send a request by email to [info@votersedfund.com](mailto:info@votersedfund.com)*

### Key Findings:

- ❖ Local election jurisdictions in compliance: **890 out of 1520 (58.6%)**
- ❖ Local election jurisdictions not in compliance: **630 out of 1520 (41.4%)**
- ❖ Total number of required AV drop boxes: **1,769**
- ❖ Total number of new AV drop boxes needed: **709**
- ❖ There are 94 election jurisdictions in the State of Michigan with a registered voter population greater than 15,000. Therefore, 1,426 election jurisdictions are only required to provide one AV Ballot Drop Box.

Table 1, below, shows the 50 most populous election jurisdictions that still need at least 1 additional AV drop box, and Table 2 shows all election jurisdictions throughout the state that still need at least 1 additional AV drop box.

### Recommendations for the Equitable Distribution of AV drop boxes:

In the absence of official guidance on how to determine whether “*SECURE DROP-BOXES [HAVE BEEN] DISTRIBUTED EQUITABLY THROUGHOUT THE MUNICIPALITY,*” Voters Ed Fund submits these recommendations for how clerks and community members should fulfill these requirements, in the pro-voter spirit in which they were passed:

- 1) Seek meaningful input from community members and their jurisdiction governing body **prior to the installation of an AV drop box.**
- 2) Engage community members from historically disenfranchised neighborhoods in the decision making process.
- 3) Find locations within a reasonable walking distance from a public transit stop.
- 4) Prioritize community centers, libraries, firehouses, and other public gathering places.
- 5) Place AV drop boxes in a manner that allows the voter to ‘drive-up’ to the AV drop box in neighborhoods where free public parking is not readily available.

These recommendations have been constructed, in part, from statutory requirements from other states such as New Jersey and Maryland that define equitability standards in the placement of AV drop box. [You can find more information on Ballot Drop Box Laws at the National Conference of State Legislatures Resource Center.](#)
